

Parent Code of Conduct

At Brent International School Subic, we believe that a strong partnership between home and school is essential for student success. Parents play a vital role in helping us create a safe, respectful, and supportive learning environment where every student can thrive.

As members of the Brent community, parents are expected to:

1. Support and respect the mission, values, policies, and educational goals of Brent International School Subic and encourage their children to do the same.
2. Treat all students, parents, faculty, staff, and visitors with courtesy, professionalism, and respect, helping to maintain positive relationships within the school community.
3. Model honesty, integrity, kindness, and responsible behavior in all interactions, whether on campus, during school events, or through digital communication.
4. Address concerns directly with the appropriate teacher, coach, or administrator and work collaboratively toward solutions before escalating concerns.
5. Promote regular attendance and punctuality, ensuring their children arrive at school prepared to learn. Families should schedule vacations and non-essential travel during school holidays to minimize disruptions to learning.
6. Support their child's learning and well-being by encouraging healthy study habits, adequate sleep, responsible use of technology, and active engagement in learning. Parents should also provide healthy snacks and lunches and avoid sending fast food or foods and beverages with excessive sugar and limited nutritional value.
7. Support the school's commitment to academic honesty by ensuring that student work reflects the student's own effort and abilities and by avoiding inappropriate assistance with assignments, projects, or assessments.
8. Use social media responsibly and refrain from posting, sharing, or distributing harmful, defamatory, confidential, or misleading information about students, families, employees, or the school.
9. Support the school's efforts to maintain a safe, inclusive, and respectful environment by addressing inappropriate behavior, promoting positive conduct, and contributing to a culture where all students can learn and thrive.
10. Maintain an active partnership with the school by attending meetings when requested, responding to school communications in a timely manner, and working collaboratively to support their child's academic, social, emotional, and behavioral development.

By signing below, I acknowledge that I have read, understood, and agree to abide by the Brent International School Subic Parent Code of Conduct. I understand that failure to adhere to the expectations outlined in this Code of Conduct may result in meetings with school administration, restrictions on access to school facilities or events, or other actions deemed necessary to maintain a safe, respectful, and productive learning environment.
